

U.S. NAVAL BASE HOSPITAL No 10 NAVY 135 December 25, 1944 : : January 1, 1945

To-day we are celebrating our second Christmas in Australia.

The Commanding Officer wishes to congratulate the staff and patients of the U.S. Naval Base Hospital No. 10 for the continued unselfish devotion to duty shown by all hands throughout the past year.

Let us hope that before another Christmas we may witness a successful termination of this war, and that the peoples of the world shall have found that path leading nearer to the way of life advocated by Him whose birth we are celebrating this day.

A. C. SMITH
Captain (MC), USN,
Medical Officer in Command.
